BW	Geoff Shugg's ride had more new members than regular riders so problems with people getting lost.	Include corner marking info in next month's mag.	BW	Before print of next mag
Dave Ward	People taking too long to get ready.			
BW	When leader takes off, everyone should go.			
PS	Doesn't make much sense for slowest rider to be rear rider.			
BW	Faster riders can help the slow riders by taking over from them at corner markings.			
IP	Helps if leader rallies everyone together, keep ride moving.			
DW	Propose committee discuss cancelling Jindabyne trip and replace with Tasmania instead, concerned Club will lose money.	Committee to discuss	Committee members	Next committee meeting
IP	Meeting closed.
