**7<sup>th</sup> July 2011**

**Open Meeting:** 8:05pm

**Present:** 20 members and friends

**Apologies:** Cliff Peters, Tim Emons, Barbara and Trevor Rolfe Harris

### **Secretary Report:**

- With no PO Box mail, Ben directed us to the membership list in the newsletter highlighting the list of new members and how the totals compared with the previous year. He also gave a quick rundown of the MSR Incident Data for the year.

### **Treasurer's Report:**

- Peter provided an overview of the Club's finances with more detail as per his comprehensive report in the newsletter.

### **Captains' Report**

- In Cliff's absence, Ben reported on the past and forthcoming rides.

### **General Business:**

- The new Facebook page was discussed and it was explained that it would only be for Club members and not open to the public. To gain access the person must be a financial member of the Club and the administrator would be the only person who could grant access. Ben then explained that when Facebook was operational the Google Group would still remain. Also to distinguish important Club information from general news he would prefix these items with 'Official' to ensure they are noticed.
- In light of the recent spate of crashes due to badly repaired roads or other issues that can make a road hazardous, Lyn Duncan tabled a list of phone numbers where these issues can be reported. These will be printed in the next Club magazine.
- Ian advised that a new Club tee-shirt was being contemplated and asked for a show of hands to gauge interest. There being enough interest the Committee would start working on new designs and prices.
- As no further business was noted Ian closed the meeting in preparation for the AGM.

**Close Meeting:** 8:35pm
